BRITANNIA

A note from Ms. Prutchick:

While I am thrilled to begin summer vacation, I am sad to say goodbye to the students whom I have gotten to know so well over just the past few months. It's especially hard to say goodbye to those who won't be coming back to Britannia in the Fall.

When I got hired to teach Britannia's Science and Logos programs back in March, I wasn't sure what to expect. However, I was very quickly welcomed with open arms by the staff, students, and parents. I have loved becoming part of this school, and part of the Logos community.

SCHOOL SPOTLIGHT

My favourite part of June was seeing our Britannia-hosted chapel come together! I am so proud of the kids for taking on leadership roles... especially some of our grade 7s who seem to have no fear of public speaking, and eagerly took on the role of teaching the lesson! We had a group of kids plan and prepare snacks, another that planned a game, and still others that prepared decorations, music, tech, and crafts!

Near the end of the year we made thank-you cards for neighbours of the school. We went on a community walk and enjoyed the warm weather as we delivered them to different families. We also picked up trash around the community (including a dead squirrel that caused quite an excitement!) and talked about the importance of being good ambassadors for Christ.

It's been a great few months here at Britannia, and I am so blessed to get to be back again in the Fall!

Chapel Focus

THIS MONTH

JUNE

Don't get caught in the
"Short Cut" trap

2023-2024 LOGOS THEME
"I'M ALL IN!"

Mark 12:30

Love the Lord your God. Love
Him with all your heart, all your
soul, all your mind, and all your
strength.

School Updates

YOUNGSTOWN

This month students spent time reflecting on the service opportunities they had with the Mustard Seed. They made connections with prioritizing time/actions and doing things in a certain order just like God used order to create the world.

Our classes also continue to spend time in daily devotions, which we would like to take this opportunity to say thank you to the Society for this valuable resource!

The students in our Logos program show the impact of Christian education in the way they see who (and whose) they are and in the way they treat each other.

The biggest highlight this month was attending the Chapel Britannia students planned, organized and hosted. Thank you Britannia! We look forward to wrapping the year up with our Year End Chapel and celebrating all God has done this year!

QUEEN ALEXANDRA

our June chapel focus was on how to be a godly leader; specifically focusing on Samuel, who became both a great leader to the Israelites and a prophet of God. This was led by our 5/6 class who shared skits, puppet shows, worship songs, and trivia games with our Logos students.

Our Track and Field event was held on June 7, which was such a fun opportunity for students to showcase their gifts and enthusiasm for the 100m dash, high jump, long jump, discus, shotput, and team relay.

On June 17th, we hosted our volunteer appreciation tea to thank all of the people who have volunteered at our school throughout the year in various ways.

To celebrate Indigenous culture, we held our Friendship Games on June 20th where students participated in Indigenous games and celebrated all of their friendships!

Our final farewell to the grade 6's took place on June 26th during our end of the year assembly. We wish our grade 6's the best of luck on their next journey to junior high. To all other students who are moving on to other schools: good luck in their new communities, and to everyone, a blessed summer.

HARDISTY

Hardisty Logos was busy this June! Our Parents that Pray group meets regularly on Monday mornings but, recognizing that many parents can't make that time slot work, we decided to host a Parent Prayer Evening and it was neat to see some new faces join us to lift up school, admin and student prayer requests!

In the classrooms, students were busy learning about many things, like how God wants us to love others even if they're different from us (using the story of the Good Samaritan as an example), journeying through the Psalms and exploring faith in many ways.

We also had the grad chapel for our grade 6 & 9 grads! This was hosted at St. Augustine's Church and featured our Jr High Worship Team, a musical presentation by our grade 5/6s, a message from Pastor Jonathan, the presentation of grad gifts to our 6s and 9s, and an introduction to the theme and song for next school year! It was a special time of celebration and honoring our graduates. We are already excited for what next year will hold for Hardisty Logos!"

KENSINGTON

This month, we learned about the fruit of gentleness and self control. In order to live the way Christ wants us to live, we must ask the Holy Spirit to help us control ourselves. Proverbs 15:1 says, "a gentle answer turns away wrath, but a harsh word stirs up anger". As believers, these two (among all the other fruit) needs to be seen in us so that our thoughts, words, and actions show others that we are children of God. In addition, we are extremely thankful for God's help throughout the school year. Although goodbyes are quite sad, we are reminded that new beginnings are even better! See you all next year.

BELMONT

This year has been a wonderful one that has been filled with great friends.

We had reading buddies in our grade ½ class. We were very blessed that we were able to meet with another logos class of grade 5/6 kids. They were so wonderful with the little kids; they read with them, played math games and were a shining example of God's love in action.

Sometimes the older kids can overlook the smaller ones but we were blessed in the fact that they took wonderful care of God's children. Having the children who have the same love for Jesus learn together, play together, and have fun together is such a blessing. Thank you to Mr. Cote's class - we looked so forward to seeing you Wednesday afternoons and being able to work with you!
